To the School Board and Citizens of Bennington:

I hereby submit my third annual report as Superintendent of Schools.

Weston, Annie Lindsay, secretary.

SUPT. OF SCHOOLS: Howard F. Mason, Hillsboro, N. H.

SCHOOL NURSE: Margaret Harris, R.N., Keene, N. H.

MUSIC SUPERVISOR: Katherine M. Shea, Hillsboro, N.H.

### PUPIL DATA

The following pupils maintained perfect attendance during the school year 1943-44:

Miss Cashion's room: Barbara Whynott.

Miss Cilley's room: Phyllis Whynott.

Mrs. Cody's room: Maurice Wilson.

In September, 1944, the enrollment was as follows: Miss Cashion's room, Grade I, 14; Grade II, 7; Grade III, 12; total for the room, 33; Miss Cilley's room, Grade IV, 7; Grade V, 8; Grade VI, 11; total for the room 26; Mrs. Cody's room, Grade VII, 12; Grade VIII, 5; total for the room, 17; total for the building, 76.

Twenty-four pupils are attending High School, 11 at Hillsboro and 13 at Peterboro. The distribution by grades is: Grade IX, 8; Grade X, 5; Grade XI, 6; Grade XII, 5.

### GENERAL REPORT

It is with sincere gratitude that I can report to you that the Pierce School is now functioning in the best manner that it has been my pleasure to observe its operation during the three years I have been your Superintendent. The children are reasonably well behaved, apply themselves to their studies, and seem to enjoy both their regular work and special activities of the School. There probably are many reasons for this steady improvement because we all know that things of this sort can only be brought about by mutual cooperation. However, there is little doubt in my mind that much of this change has been brought about by your capable, experienced teaching staff. Bennington is indeed fortunate to have such teachers in these hectic war days, when all around us schools are closing down or getting along with poorly trained, substitute, or in various ways, inadequate teachers.

Much consternation was caused this fall over the unwillingness of the O.D.T. to allow the transportation of Bennington High School pupils to Hillsboro and Peterboro. Determined efforts were apparently made by someone to have Mr. Whitney cease carrying the pupils back from Hillsboro and to force Mrs. Bowes to make only one trip. The whole question was picayune and should never have been brought up. High School pupils must and will be allowed an opportunity to obtain the education to which they have a right. The determined effort of many of us eventually cleared the matter up and we do not anticipate any similar difficulty in the future.

All the elementary transporting is being done this year by Mr. John H. Lindsay to the satisfaction of everyone concerned. He makes three trips to Antrim Depot, up the Francestown road and to Mountain road, arriving at the school house with the first load at 8.20 and the last group before 8.55.

A new Encyclopedia was purchased for the school last year. New arithmetic books for all grades were bought this summer for use during the current year. The new reading series was extended up into the third grade. An attempt has been made to provide the pupils with all the things they need to have a full and complete elementary education. From the record our pupils are making at Hillsboro and Peterboro they certainly must have obtained a sound basic education in the Pierce School.

For further current information about the school I refer you to the report of the Principal which follows.

Again it has been a pleasure to work in a pleasant atmosphere of willing cooperation with School Board and Teachers.

Respectfully submitted,

HOWARD F. MASON,  
Superintendent

## REPORT OF SCHOOL PRINCIPAL

---

To the Superintendent of Schools:

The membership of the School December 22, 1944:

Grades 7-8, 18; Grades 4, 5, 6, 27; Grades 1, 2, 3, 28;  
total, 73.

Pupils with perfect attendance:

Grades 7-8: Stella Cernota, Raymond Cernota, Patricia Diamond, Sylvio Zanga, Bernard Grant, Daniel McKay, Maurice Wilson.

Grades 4, 5, 6: Nelson Holland, Frances Holland, Edna Paige, Paul Grant, Stephen Chase, Helen Kereazis, Barbara French.

Grades 1, 2, 3: Donald Burke, Robert Cashion, Peter Cardatos, Herbert Wilson, Christ Yakovakis, Alice Powers, Donald Chamberlain, Edward Cernota, Annette Levesque.

The cooperation of the parents and children in solving the tardiness problem is most gratifying. During the first 16 weeks of school the 73 pupils have had only 5 cases of tardiness.

The school has sponsored a Scrap Paper Drive, a Milk Weed Pod Collection, a Prize Speaking Contest to promote Stamp sales, an Old Clothing Drive and weekly sales of War Saving Stamps. The total weekly sales per room are as follows: Grades 7, 8, \$211.95; Grades 4, 5, 6, \$373.95; Grades 1, 2, 3, \$71.90; total \$657.80.

The Pierce School held open house Education Week in November. Invitations were extended to all parents and friends to visit the regular school sessions during the week. Although the number of visitors was not as great as the number attending Education Night last year, we felt it more beneficial for the people to visit regular school sessions.

Respectfully submitted,

RUTH CODY,  
Principal
